

MGANM
Monthly meeting - revised
October 7, 2014

Speaker

Nathan Griswold from Inhabitect who spoke on Green Roofs. It was a very informative talk on a new topic.

Officers present:

Liz, Sara, Misty, Terri

17 other members were present

Old Business

1. Chickens at the Opera House Sunday Oct 19th
Public service announcements had been heard, also the Ticker and the Leelanau Enterprise had articles.
2. If you are having problem updating your hours, call Annette at the office and she will help you.
3. Coordinator search – Marina reported that the original job posting had been for a part time position, but MSU decided to make it a full time position which required another search which just closed. The hiring committee of which Marina is a part will meet Oct 14 to begin to review applicants. This too will involve time.

New Business

1. Volunteer Recognition Dinner. Misty is chair of the dinner and has been working with Annette to ascertain a caterer, find a speaker, and design the invitations. There will be a general meeting for those who are interested in helping on the dinner on Thurs. Oct 17 at 6:00 PM at Horizon. We need people to help.
2. For next year, we need a President and Secretary. Misty will run for Vice President and Sara will run for treasurer.
3. The Garden Maintenance crew for the Boardman Center reminded us that our usage of the Boardman space for meetings and storage is contingent on us working to maintain the garden. Tomorrow will be the last clean up then the crew will begin again April 25 and May 3rd of next year to wake the garden up.

Respectfully submitted,

Misty Sheehan,
Secretary
